CL Palmer

Author, *The Aligned Creative* · Podcast host · Producer & editor · Speaker

CL helps creators, teams and entrepreneurs do their best work *without burning out*, by lining up who they are with how they work. As a Black creator with ADHD, CL speaks to that from lived experience, and has spent 12+ years making the content that proves it.

Atlanta, GA · Available in person and virtually

Progress Georgia: political and advocacy video

See work ↗

2023–2025. Rapid-response explainers, a voter-guide jingle CL wrote and produced, and interview series CL booked and hosted.

What CL publishes

A book, a podcast, a weekly video channel and a line of tools, all built on the same ideas. CL writes, records, edits and ships every piece.

THE BOOK

The Aligned Creative: Turning Self-Expression into Purpose, Impact, and Connection

A system for creators and entrepreneurs who are worn out by chasing trends and posting nonstop. It's built on CL's G.R.O.W.T.H. framework: find your True North, work in your “Radiant Hours,” build content pillars and monetize ethically.

Get the book ↗

> *“Until your work is in harmony with your natural rhythms, you will always feel on the edge of burnout.”*

- Creative Flow Builder
- Purpose & Passion Clarity Workbook
- Affirmations Deck app and 5 audio activations

Now publishing

The Aligned Creative Podcast

Conversations on creativity, purpose and neurodivergence for creators and entrepreneurs. Recent guests include producer Mannie Fresh.

The Aligned Creative on YouTube

Weekly shorts and full episodes, with 71K views and 378 new subscribers in the last year. The top short, “Your purpose is more important than other people's expectations of you,” has 2,400+ views, and nine more have passed 1,280.

@TheAlignedCreative44

Tools & apps

The Aligned Creative Suite

The Identity Shift Quiz, the Reality Rewrite Explorer, the Aligned Creator Workspace (AI), toolkits, 90-minute intensives and the Flow Labs community.

All products

Brand deals & partnerships

CL is a creator who can also run the whole production. A brand gets the concept, the shoot, the edit and the post from one person, in a voice the audience already trusts.

Ways to partner

- **Podcast sponsorship:** host-read spots and integrated segments on The Aligned Creative Podcast
- **Branded short-form video:** Reels, TikTok and Shorts, from concept to final cut
- **Product integration:** real use of your product inside CL's creator workflow content
- **Co-hosted workshops and webinars** for your community or customers
- **Series and campaign production:** CL produces your content, as with Progress Georgia and AAMA

Best-fit partners

- Creator and editing tools (Descript user since 2019, verified on LinkedIn)
- Audio, video and studio gear
- Productivity, focus and ADHD-support products
- Mental health and wellness brands
- AI and no-code platforms
- Publishers, bookstores and literary events
- Atlanta culture, sports and live events

Speaking & workshops

Talks that feel like a supportive class, not a lecture. They're built for teams that are stretched thin, and for neurodivergent and creative people who need practical tools, not more pressure.

CORE FRAMEWORK: THE ALIGNED SUCCESS FRAMEWORK

Self
Identity, story, values and direction

Roots
Capacity, energy, rhythm, systems and support

Expression
Voice, communication, content and contribution

Expansion
Visibility, leadership, revenue and impact

K1

Aligned Success at Work: Self · Roots · Expression · Expansion

Why more pressure and more visibility often bring less freedom, and a simple way to find where a team's success is fragile.

Keynote · 45–60 min · 30–40 min conference cut

K2

Creative Brains, Real Work: Supporting ADHD & Neurodivergent Talent Without Burnout

Practical changes leaders can make to meetings, expectations and task design, drawn from CL's lived experience and research.

Keynote · 45–60 min · pairs with the ND & Creative Brains workshop

K3

Strong Roots, Sustainable Teams: Alignment, Burnout, and Creative Performance

The difference between stress and burnout, and how to build “root systems” that let teams handle high demand without breaking.

Keynote · 45–60 min · pairs with the Sustainable Work Rhythm lab

K4

Rewrite the Story: How Narrative, Identity, and Creativity Drive Real Change

Mission storytelling for nonprofits, agencies and values-driven companies, with templates teams can reuse.

Keynote · 45–60 min · pairs with Story Lab

K5

The Creative Advantage: Unlocking Problem-Solving Power at Work

Creativity as a problem-solving skill, taught through CL's C.R.E.A.T.E. method with live exercises.

Keynote or workshop · 30–60 min

Workshops & labs

- Aligned Success Lab
- Designing a Sustainable Work Rhythm
- Story Lab
- Work That Works for ND & Creative Brains

60–120 min · half-day when paired with a keynote

Good fits

- Leadership retreats and offsites
- Staff development days
- DEI and wellbeing programs
- Creator and marketing conferences
- Nonprofit and public-sector trainings

Also on the mic

CL has hosted and guest-hosted for 12 years. CL has booked guests like NBA.com's Sekou Smith and produced AAMA episodes featuring Guy Kawasaki. CL is available as a podcast guest, moderator or panelist.
